

## Golf Club & Luggage Shipping Service

Dunbar Golf Tours has partnered with Sports Express to offer you the option of having your golf clubs (and any other luggage items) picked up from your home or office and delivered directly to your hotel, enabling you to bypass the hassles of checking baggage. Avoid baggage fees and the risk of your bags showing up late. After your final round your bags can be picked up and sent back to await your return home.

With Sports Express, all the details are handled. A Travel Concierge fills out all the customs documentation and labels for you, watches over your bags from pickup through delivery, and calls your destination to make sure your items are in the correct location for you upon check-in. Your bags are guaranteed to be delivered on time or they will arrange and pay for rentals and purchases of needed items.

With air travel what it is today, Sports Express gives you peace of mind and enables you to truly enjoy every aspect of your vacation.

Full details and prices are available at [www.SportsExpress.com](http://www.SportsExpress.com) or by calling 1-800-357-4174. International deliveries need to be booked at least 1 week prior to your pickup date
